

1st Swallowfield Beaver Scouts

Individual Details Form

Dear Parents

Please complete the following details about your son/daughter, which we will hold on file during their stay with 1st Swallowfield Scout Group. We also ask parents to complete this form if they wish to place their child on our waiting list.

Children may join Beavers from the age of six, and stay until they are eight years old – the idea is that they then move up to Swallowfield Cubs and so on through scouting.
